Camp Descriptions and Costs

Resident (\$350) - For participants 10 years old and up, our resident camp features three instructional sessions per day, swimming, three meals a day and lodging. Campers stay in the residence halls in either single or double rooms. An evening recreation program (ie: movie, karaoke) is also included.

Commuter (\$265) - Local campers have the option to commute to our resident camp. This option offers the same features as the resident camp minus breakfast and lodging.

For all camps, a \$49 non-refundable deposit must accompany the registration form, with the balance paid in full two weeks prior to the start of camp.

Medical Insurance and Camp Forms

Upon receipt of the application and deposit, a registration packet will be mailed which includes medical forms, camper's rules forms and a camp itinerary. The University does not provide medical insurance for campers. In the event of illness or injury requiring treatment, hospitalization or surgery, family medical insurance must be used; therefore the University requires that campers be covered by some form of medical insurance.

Supervision and Health Care

All campers are required to comply with the rules and regulations of SUNY Cortland and the Sports School. Campers are supervised by college students and recent graduates with high school and/or college athletic experience. Campers are not allowed to travel anywhere without supervision. Routine health care is provided by certified SUNY Cortland athletic trainers and University students enrolled in the athletic training program. The Sports School has an on-site Medical Director who is responsible for the administration of all medications and the treatment of illness and injuries. The Medical Director refers medical emergencies and illnesses to the local hospital for further evaluation and treatment.

SUNY Cortland Athletic Facilities

SUNY Cortland's Stadium Complex is a state-of-the-art, multi-purpose athletic facility. The Red Dragons football, field

hockey, lacrosse, soccer and track and field teams all compete on the stadium's two fields. The main field provides seating for 7,500 spectators and features an 18 by 36 foot scoreboard, with a nine by 14 foot video screen, while the auxiliary field accommodates 1,500 spectators. The complex has state-of-the-art lighting for nighttime events and both the main and auxiliary field grandstands are linked by a common walkway.

The Bessie L. Park Center features Whitney T. Corey Gymnasium with a seating capacity of 3,500; Harriet Holsten Olympic-size swimming pool with gallery seating for 1,500; Alumni Ice Arena which accommodates 2,500 spectators; a 500-seat gymnastics arena; racquetball and squash courts; a 3,200 square foot wrestling room; athletic training facilities, and the Francis Woods Fitness Facility.

Lusk Field House is a 40,000-square foot facility which features a tartan-textured six-lane indoor track as well as pole vault and long jump pits. The Field House can be

used for three basketball courts, six volleyball courts or 24 badminton courts. The College also has 24 outdoor tennis courts, Robert H. Wallace Field for baseball and Dragon Field for softball as part of its 51 acre athletic complex.

Steve Beville

**Camp Director and
Head Coach**

SUNY Cortland Men's Lacrosse

Steve Beville leads the National Champion Dragons in his first year in 2007. He brings 19 years of NCAA experience as a head coach, including the last eight as head coach at Division I Vermont. He led the Catamounts to a 9-6 record during the 2006 season.

His overall coaching record of 148-107 includes a very successful ten year stint at Division III Colorado College. Beville had the Tigers in the top 25 in Division III seven times, recruited and coached the only three All-Americans in school history and graduated 100 percent of his players.

A native of Syracuse, N.Y., Beville graduated from West Genesee High School in 1981 and went on to a highly successful collegiate and post collegiate career. At Washington College in Maryland, he was named First Team All American and Defenseman of the Year in 1984 and 1985. He is also a member of the Washington College Hall of Fame.

Beville has served on both the Division I and Division II All-American selection committees, the NCAA playoff advisory committees and national poll voters.

Eric Seideman

Assistant Coach

SUNY Cortland Men's Lacrosse

Eric Seideman begins his second season as assistant coach at Cortland in 2007. He served in the same capacity at Vassar College for the men's lacrosse and women's soccer programs in 2004-05.

A 2004 graduate of Haverford College (PA), Seideman was a four-year starter and three-year team MVP and ranks fifth in school history with 174 career points, sixth with 70 assists and seventh with 104 goals. He was a first team All-Centennial Conference selection as a senior and was an honorable mention all-league selection as a junior.

A native of Plainfield, VT, Seideman graduated in 2000 from Spaulding High School, where he lettered in lacrosse, soccer, hockey and football and earned all-state honors in soccer, football and lacrosse. He set school lacrosse records for career and single-season goals, assists and points.

Camp Mission Statement

Our camp is designed to help increase individual skills including stick skills, dodging, shooting, footwork and defense. We will also concentrate on developing team concepts: fast breaks, transition offense and defense, team offense and defense and extra man situations. The camp features two instructional sessions during the day and game scrimmages in the evening. Weight training instruction and college counseling sessions will also be offered. Our camp will give you the opportunity to improve your game and be seen by college coaches as well. Let us help you achieve your goals and have some fun!
